Elsevier Trial Subscription

Elsevier (ScienceDirect) enabled trial subscription to Rajarata University of Sri Lanka. This will be available until 31st December 2023. Please follow the steps below and enjoy.

What is ScienceDirect?

ScienceDirect combines authoritative, full-text scientific, technical and health publications with smart, intuitive functionality so that users can stay informed in their fields and can work more effectively and efficiently. With high-quality journals, books and reference content, the ScienceDirect platform uniquely supports an uninterrupted workflow so researchers move seamlessly among books and journals and across topics and disciplines.
